Call to Worship

All: He went to the garden alone,

One: Surrounded by friends but walking a lonely path.

All: He went to the garden willingly,

One: Surrounded by people who did not understand the depth of
His pain.

All: He went to the garden as a man,

One: Surrounded by people for whom He was willing to
sacrifice His life.

All: He went to the garden alone,

One: Today we remember His sacrifice.
