Prelude

Lighting of the Christ Candle

**Introit:

VU 477

I come with joy, a child of God,
forgiven, loved and free,
the life of Jesus to recall
in love laid down for me,
in love laid down for me.

Welcome

Call to Worship:

One: What a joy to be gathered together as one people in
all our diversity,
All: in all our strengths and weaknesses, with all our
different perspectives, with all our different voices.
One: We use that diversity to help experience the world as
God intended it,
All: by empathizing with our neighbours, by
acknowledging the light that burns brightly within the
stranger.
One: We come to this place with our humanity, seeking to
encounter other human beings,
All: human beings that share our fears and our hopes, our
insecurities and our desires, our passions and our
pain.
One: Thanks be to God for giving us the ability to see* the
world more fully through the divine spark that
connects us all. Let us worship as one people.

Gathering Prayer: (All)

Loving Creator,
help us enfold one another
in blankets of loving encouragement,
when we falter in the snows of life.
Help us assure and affirm each other
when we find ourselves
lost in the deep of winter.
Help us follow your billowy footprints
into sanctuaries of sheltering.
Wrap us in your cozy warmth
and your soft light of acceptance. Amen.
